

LENNOX

Adjustable fan speeds give you the advantage of

# STEADY, EVEN AIRFLOW

DAVE LENNOX  
*signature*  
COLLECTION

## CBX32MV

VARIABLE-SPEED,  
MULTI-POSITION  
AIR HANDLER

Quiet and efficient air handler for almost any home

# QUIET OPERATION

Variable-speed motor ramps up slowly, so there's never a noisy blast of air at startup. Extra-thick insulation inside the blower compartment and low-speed fan operation further minimize sound levels.

NOT A LOT  
OF SOUND

JUST A LOT  
OF PERFECT AIR

---

# CONSISTENTLY EFFICIENT

Variable-speed technology provides a consistent flow of air, which helps keep energy costs at a minimum.

USES **2/3**  
LESS ENERGY  
than competitive  
single-speed units\*

## EFFICIENCY INNOVATIONS

### HIGH-EFFICIENCY COIL

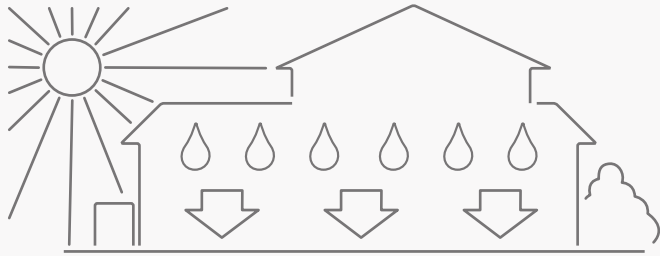

The evaporator coil is designed to enhance system efficiency and provide air temperatures that feel just right.

### ADDITIONAL SAVINGS

When paired with a matching high-efficiency air conditioner or heat pump, the CBX32MV can potentially qualify you for federal energy tax credits and local utility rebates. See your Lennox Dealer for details.

# STEADY AIRFLOW

Variable-speed technology maintains comfort with a continuous flow of air, preventing temperature swings and loud system starts. Steady air movement also helps control humidity levels.

## COMFORT INNOVATIONS

### ICOMFORT®-ENABLED

The CBX32MV works with the iComfort® S30 ultra smart thermostat to deliver precise temperatures and energy-efficient operation based on your family's routine.

### OPTIONAL ELECTRIC BACKUP HEAT

EvenHeater™ preheats air before circulating it through your home. Heat is delivered in stages to help prevent drafts.

### MORE BREATHABLE AIR

A low-speed fan increases the effectiveness of filters, helping them capture more allergy-aggravating contaminants.

# DURABLE CONSTRUCTION

The CBX32MV uses smart designs, high-quality materials and innovations like variable-speed technology, so you enjoy years of trouble-free operation and consistent comfort.

### PEACE-OF-MIND PROTECTION

The CBX32MV comes with a 10-year limited warranty on all covered components.\*\*

\*Compared to air handlers with conventional single-speed blower motors, the CBX32MV with a variable-speed motor uses two-thirds less energy.

\*\*Applies to residential applications only. See actual warranty certificate for details.

Note: Due to Lennox' ongoing commitment to quality, specifications and ratings are subject to change without notice.

Innovation never felt so good.®

# HIGH-LEVEL INNOVATION

Advanced technology takes your comfort to a new level

## BUILD A SIGNATURE® SYSTEM

The CBX32MV is part of the Dave Lennox Signature® Collection, the most advanced line of equipment Lennox makes. Every furnace, air handler, heat pump and air conditioner in the Signature collection is built from premium materials, and designed to bring the highest level of innovation to home comfort.

## FINANCING YOUR COMFORT

Enjoy more comfort and purchasing power. Take advantage of flexible financing options that allow you to enjoy the innovation, precision and efficiency of Lennox on your terms.\*

\*Subject to credit approval. Minimum monthly payments required. See your Lennox Dealer for details.
